

Collaboration with Mercari

ZERO CO., LTD. (HQ: Saiwai-ku Kawasaki, Kanagawa, President: Takeo Kitamura) has started to collaborate with Mercari (HQ: Minato-ku Tokyo, CEO: Shintaro Yamada) to provide vehicle transportation service for the members of Mercari.

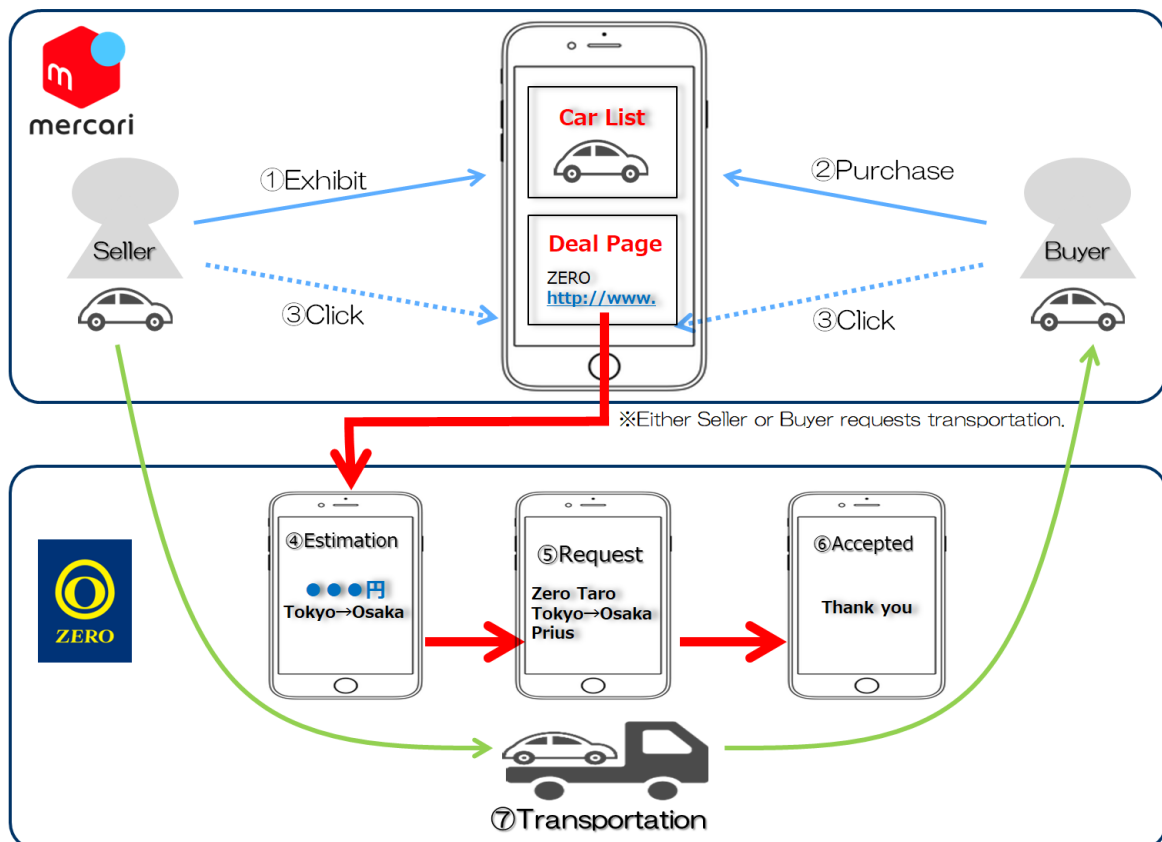

1. Background and Purpose

Mercari is operating flea market application “Mercari” and the members buy and sell their cars through the application. In order for the members to deal with their cars more safely and smoothly, ZERO has started to provide nationwide vehicle transportation service and registration transfer service.

ZERO aims to enter into CtoC car trading business and expand the services by collaboration with Mercari.

2. Scheme of the Alliance

◆ Process from deal page in Mercari application to transportation request at ZERO website.

3. Merit for the Members

After a transaction completes between buyer and seller in the application, they can save time and effort by utilizing the above-mentioned services. Furthermore, they can receive special offer only for the members who dealt through the application.

4. Next Steps

Enhancing this partnership, ZERO and Mercari expand the vehicle transportation and trading services.
